REMARKS

The undersigned representative is submitting this Request to clarify the chain of priority in the preciously cited applications. This is not a new priority claim. In particular, the priority claim is being clarified to clearly indicate that U.S. Application No. 09/005,985 is a continuation-in-part of each of U.S. Application No. 08/671,928 and U.S. Application No. 08/589,027. This information was already provided in the parent U.S. Application No. 09/005,985.

The undersigned representative is also submitting an Application Data Sheet with the information provided above, i.e., clarifying that U.S. Application No. 09/005,985 is a continuation-in-part of each of U.S. Application No. 08/671,928 and U.S. Application No. 08/589,027.

The undersigned representative believes that no Petition or a petition fee are needed since no new priority claim is being made, but the above clarification is provided where the parent / grandparent applications and their filing dates have been previously indicated, and the chain is now being clarified.

Applicants believe that no PTO fee should be associated with this corrected Filing Receipt, but should there be a PTO fee due, please apply any charges or credits to Deposit Account 502-196.

Respectfully submitted,
